ENTREPRENEURIAL EXPERIENCE

SEABORN MARITIME SOLUTIONS

Founder & Managing Director

May 2025 – Present

Seaborn Maritime Solutions provides comprehensive maritime and logistics services by integrating cutting edge technology with extensive industry experience from vessel chartering and port operations to green port initiatives. The company prioritizes safety, efficiency, and environmental sustainability in every operation. In addition, Seaborn offers ship chandler and technical supply services for vessels docking in the United States, providing marine spare parts, repair equipment, and navigation support. For American shipping companies calling at Thai ports, Seaborn leverages its strong partnership with Laem Chabang Port to ensure fast, reliable, and hassle-free berth reservations and port coordination.

Inter Marine Lube Company Limited (IML)

SALES ENGINEER (MARINE AREA)

APR 2023 - APR 2024

- Commercial & Technical Coordination Experience (Chevron Thailand Distributor)
- Coordinated with client companies and internal logistics teams to manage the delivery of marine lubricants and supplies to ports and anchorage areas where vessels were berthed. Conducted on-site inspections with ship chief engineers to ensure that lubricant specifications and grades met the operational requirements of each vessel’s main and auxiliary machinery. Maintained strong client relationships to promote long-term brand loyalty, prevent product substitution by competitors, and consistently achieved sales and service performance targets.

Thoresen Thai Agencies Public Company Limited (TTA)

DECK CADET OFFICER

APR 2022 - APR 2023

- Deck & Navigation Experience
- Assisted in vessel navigation by standing bridge watch and supporting navigational and communication operations in accordance with international maritime standards. Supported cargo handling activities, including loading and unloading operations, while ensuring full compliance with safety and operational procedures. Performed routine maintenance and cleaning of bridge and deck areas to maintain vessel readiness and efficiency. Conducted safety inspections of lifesaving and firefighting equipment to ensure operational reliability. Participated in emergency drills and safety training to enhance crew preparedness. Assisted in the preparation of operational reports and documentation, and managed general onboard duties to support smooth and efficient vessel operations.

Intertek Testing Services (Thailand) Company Limited

MARINE SURVEYOR

JAN 2018 - JUL 2021

- Maritime Inspection & Survey Experience
- Performed comprehensive inspections of commercial vessels to ensure compliance with international safety, quality, and operational standards (IMO, SOLAS, MARPOL, ISM Code). Verified cargo condition, quantity, and documentation to ensure proper handling and regulatory accuracy. Investigated and evaluated vessel and cargo damages, preparing detailed technical reports for insurance claims and repair assessments. Conducted compliance checks to ensure adherence to maritime and environmental regulations. Inspected offshore facilities and platforms to verify structural integrity and operational safety. Provided technical recommendations for maintenance, repair, and performance optimization. Prepared official reports and certifications based on inspection findings for shipowners, operators, and classification societies.
